Diversity Team [Follow up] Assessment [2]

Introduction:
- Reminder of topics covered in four different trainings and brownbags
- That we’ve used feedback to design trainings and we will be prioritizing next year’s work soon

1. Has the experience/information from the Diversity trainings or brownbags had an impact on your work?
   a. If yes, please explain how and give examples
   b. If not please explain why not and give examples

2. What has stuck with you the most from the diversity trainings?

3. What have you found the most challenging during the diversity trainings?

4. Upon reflection, are there specific topics or activities you’d like the diversity team to address in future trainings? Please explain.
5. Are there topics or activities you would like the diversity team to address in brown bag sessions?

6. Are there ways you would like to be heard or express yourself during our trainings? (e.g. small group discussions, writing activities, large group discussions)
